Corner — Left as found Found and tagged Established Reestablished Rebuilt

Identification and type of corner found: Evidence used to identify or procedure used to establish or reestablish the corner: Found RP's as described at the NE and SW corners. No trace could be found of the RP at the SE corner. A traverse was run between the found corners and the missing RP was set at its record position.

A description of the physical condition of the monument as found and as set or reset: An X was chisled into the bedrock. Each leg was 2" long or 4" overall. Spikes and stakes were then set along the south line of the lot.
