| SECTION | PAGE NO. |
|---|----------|
| Acronyms and Abbreviations | xi |
| Executive Summary | xiii |
| Acknowledgments | xv |
| 1 Introduction..... | 1 |
| 1.1 Purpose and Need | 1 |
| 1.2 Plan Goals..... | 2 |
| 1.3 Forecast Zones and County-Wide Community Wildfire Protection Plan Organization..... | 3 |
| 1.4 Key Participants | 3 |
| 1.4.1 Project Team..... | 9 |
| 1.4.2 Technical Advisory Committee | 9 |
| 1.4.3 Stakeholder Team | 10 |
| 1.5 Document Organization..... | 11 |
| 2 Community Wildfire Protection Plan - Plan Area Description | 13 |
| 2.1 Location | 13 |
| 2.2 Demographic Summary | 15 |
| 2.2.1 Community Archetypes..... | 15 |
| 2.3 Adjacent Communities | 20 |
| 2.4 Fire Hazard Severity Zones | 20 |
| 2.5 Fire Environment | 23 |
| 2.5.1 Climate | 23 |
| 2.5.2 Terrain | 26 |
| 2.5.3 Vegetation and Fuels | 28 |
| 2.5.4 Fire and Ignition History | 33 |
| 2.5.5 Wildfire Types and Potential Fire Behavior..... | 39 |
| 2.6 Evacuation and Emergency Alerts | 41 |
| 2.6.1 Evacuation..... | 41 |
| 2.6.2 Emergency Alerts | 43 |
| 2.7 Values at Risk..... | 44 |
| 2.7.1 At-Risk Communities..... | 44 |
| 2.7.2 Wildland Urban Interface | 45 |
| 2.7.3 High Value Resources and Assets at Risk..... | 47 |
| 2.8 Existing Wildfire Hazard Reduction Plans and Programs | 65 |
| 2.8.1 Plans..... | 65 |

2.8.2 Programs..... 74

2.9 Planning and Regulatory Environment 79

 2.9.1 Federal..... 79

 2.9.2 State 83

 2.9.3 County 91

 2.9.4 Environmental Review..... 93

3 Nevada County Wildfire Risk Assessment 97

 3.1 Wildfire Hazard Assessment..... 97

 3.2 Wildfire Risk Assessment..... 99

 3.3 Summary of Risk Assessment Results 101

 3.3.1 County Scale 101

4 Priority Project Areas 105

5 Community Engagement 109

 5.1 Community Engagement Strategy..... 109

 5.1.1 Survey Results Summary 110

 5.1.2 Community Workshops..... 111

6 Nevada County Action Plan 117

 6.1 County-Wide Issues 117

 6.2 County Level Risk Reduction Approaches 118

 6.2.1 Reducing Structural Ignitability 118

 6.2.2 Defensible Space..... 120

 6.2.3 Vegetation Management/Fuel Reduction..... 123

 6.2.4 Community Outreach and Education 126

 6.2.5 Evacuation..... 130

 6.2.6 Emergency Communication Alerts 133

 6.2.7 Post-Fire Recovery..... 134

 6.2.8 Funding Opportunities..... 135

 6.2.9 Additional Approaches..... 140

7 Higgins/Penn Valley Forecast Zone..... 141

 7.1 Forecast Zone Description 141

 7.1.1 Location 141

 7.1.2 Land Ownership..... 141

 7.2 Fire Hazard 142

 7.2.1 Climate 142

 7.2.2 Terrain 142

 7.2.3 Vegetation and Fuels 142

 7.2.4 Fire and Ignition History 143

7.3 High-Value Resources and Assets at Risk 144

 7.3.1 Community Lifelines 144

 7.3.2 Community Health..... 156

 7.3.3 Natural Resources 158

 7.3.4 Economic Resources 159

7.4 Risk Assessment Summary 160

7.5 Project Priority Areas 161

7.6 Community Engagement Results 165

 7.6.1 Community Wildfire Protection Plan Survey 165

 7.6.2 Community Workshop Results 165

7.7 Issues Specific to the Higgins/Penn Valley Forecast Zone..... 173

7.8 Action Plan 174

 7.8.1 Risk Reduction Approaches..... 174

8 Grass Valley/Nevada City Forecast Zone 187

 8.1 Forecast Zone Description 187

 8.1.1 Location 187

 8.1.2 Land Ownership 187

 8.2 Fire Hazard 188

 8.2.1 Climate 188

 8.2.2 Terrain 188

 8.2.3 Vegetation and Fuels 188

 8.2.4 Fire and Ignition History 189

 8.3 High Value Resources and Assets at Risk 190

 8.3.1 Community Lifelines 190

 8.3.2 Community Health..... 204

 8.3.3 Natural Resources 206

 8.3.4 Economic Resources 208

 8.4 Risk Assessment Result Summary 209

 8.5 Project Priority Areas 210

 8.6 Community Engagement Results 210

 8.6.1 Community Wildfire Protection Plan Survey 210

 8.6.2 Community Workshop Results 211

 8.7 Issues Specific to the Grass Valley/Nevada City Forecast Zone 222

 8.8 Action Plan 223

 8.8.1 Risk Reduction Approaches..... 223

9 Tahoe National Forest Area Forecast Zone 237

 9.1 Forecast Zone Description 237

 9.1.1 Location 237

 9.1.2 Land Ownership..... 237

9.2 Fire Hazard 238

 9.2.1 Climate 238

 9.2.2 Terrain 238

 9.2.3 Vegetation and Fuels 239

 9.2.4 Fire and Ignition History 239

9.3 High Value Resources and Assets at Risk 249

 9.3.1 Community Lifelines 249

 9.3.2 Community Health 252

 9.3.3 Natural Resources 253

 9.3.4 Economic Resources 255

9.4 Risk Assessment Result Summary 256

9.5 Project Priority Areas 257

9.6 Community Engagement Results 261

 9.6.1 Community Wildfire Protection Plan Survey 261

 9.6.2 Community Workshop Results 261

9.7 Issues Specific to the Tahoe National Forest Area Forecast Zone 269

9.8 Action Plan 270

 9.8.1 Risk Reduction Approaches 270

10 Truckee/Donner Forecast Zone 283

 10.1 Forecast Zone Description 283

 10.1.1 Location 283

 10.1.2 Land Ownership 283

 10.2 Fire Hazard 284

 10.2.1 Climate 284

 10.2.2 Terrain 284

 10.2.3 Vegetation and Fuels 284

 10.2.4 Fire and Ignition History 285

 10.3 High Value Resources and Assets at Risk 295

 10.3.1 Community Lifelines 295

 10.3.2 Community Health 299

 10.3.3 Natural Resources 300

 10.3.4 Economic Resources 302

 10.4 Risk Assessment Results Summary 303

 10.5 Project Priority Areas 303

 10.6 Community Engagement Results 304

 10.6.1 Community Wildfire Protection Plan Survey 304

 10.6.2 Community Workshop Results 307

 10.7 Issues Specific to the Truckee/Donner Forecast Zone 315

10.8 Action Plan 316
 10.8.1 Risk Reduction Approaches..... 316
 11 Plan Monitoring and Management..... 329
 12 References 331

 3 TAC Members 10
 4 TAC Meetings 10
 5 Stakeholder Team Members 10
 6 Land Ownership in the Plan Area 13
 7 Fire Districts Within Nevada County 14
 8 Fire Hazard Severity Zone Distribution in the Plan Area..... 23
 9 Climate Change Projections for Nevada County 26
 10 Effects of Topographic Features on Fire Behavior 27
 11 Vegetation Communities within Nevada County 32
 12 Fire Behavior Interpretation 41
 13 Wildland Urban Interface Distribution in the Plan Area 46
 14 Defensible Space Priority Areas in the Plan Area 46
 15 Hazards Identified in the Nevada County LHMP and Their Significance 92
 16 Primary and Sub-HVRAs Selected in Order of Importance for the Wildfire Risk Assessment 99
 17 Project Priority Areas in Nevada County..... 106
 18 Community Risk Reduction Workshop Summaries 115
 19 Nevada County Recommendations for Reducing Structural Ignitability 119
 20 Nevada County Defensible Space Recommendations 121
 21 Nevada County Vegetation Management/Fuel Reduction Recommendations 123
 22 Nevada County Community Outreach and Education Recommendations 129
 23 Nevada County Evacuation Recommendations 131
 24 Nevada County Emergency Communication Recommendations..... 134
 25 Nevada County Post-Fire Recovery Recommendations 135
 26 Nevada County Funding Opportunities 138
 27 Land Ownership in the Higgins/Penn Valley Forecast Zone 141
 28 Higgins/Penn Valley Forecast Zone Vegetation Communities..... 143
 29 Higgins/Penn Valley Forecast Zone Fire History by Decade 143
 30 Office of the State Fire Marshal and CAL FIRE At Risk Communities in the Higgins/Penn Valley Forecast Zone..... 153

31 Higgins/Penn Valley Forecast Zone Schools 154

32 Higgins/Penn Valley Forecast Zone County Fire Stations 155

33 Higgins/Penn Valley Forecast Zone Priority Project Areas 161

34 Higgins/Penn Valley Forecast Zone Recommendations for Reducing Structural Ignitability 175

35 Higgins/Penn Valley Forecast Zone Nevada County Defensible Space Recommendations 176

36 Higgins/Penn Valley Forecast Zone Vegetation Management/Fuel
Reduction Recommendations 178

37 Higgins/Penn Valley Forecast Zone Community Outreach and
Education Recommendations 180

38 Higgins/Penn Valley Forecast Zone Evacuation Recommendations 182

39 Higgins/Penn Valley Forecast Zone Emergency Communication Alerts Recommendations 184

40 Higgins/Penn Valley Forecast Zone Post-Fire Recovery Recommendations 185

41 Land Ownership in the Grass Valley/Nevada City Forecast Zone 187

42 Grass Valley/Nevada City Forecast Zone Vegetation Communities 189

43 Grass Valley/Nevada City Forecast Zone Fire History by Period 189

44 Office of the State Fire Marshal and CAL FIRE Communities at Risk in the Grass Valley/
Nevada City Forecast Zone 200

45 Grass Valley/Nevada City Forecast Zone Schools 201

46 Grass Valley/Nevada City Forecast Zone Fire Stations 201

47 Parks within Grass Valley/Nevada City FZ 207

48 Grass Valley/Nevada City Forecast Zone Priority Project Areas 210

49 Grass Valley/Nevada City Forecast Zone Recommendations for Reducing
Structural Ignitability 224

50 Grass Valley/Nevada City Forecast Zone Defensible Space Recommendations 225

51 Grass Valley/Nevada City Forecast Zone Vegetation Management/Fuel
Reduction Recommendations 227

52 Grass Valley/Nevada City Forecast Zone Community Outreach and Education
Recommendations 230

53 Grass Valley/Nevada City Forecast Zone Evacuation Recommendations 231

54 Grass Valley/Nevada City Forecast Zone Emergency Communication
Alerts Recommendations 233

55 Grass Valley/Nevada City Forecast Zone Post-Fire Recovery Recommendations 234

56 Land Ownership in the Tahoe National Forest Area Forecast Zone 237

57 Tahoe National Forest Area Forecast Zone Vegetation Communities 239

58 Tahoe National Forest Area Forecast Zone Fire History by Period 240

59 Office of the State Fire Marshal and CAL FIRE Communities at Risk in the Tahoe National
Forest Area Forecast Zone 250

60 Tahoe National Forest Area Forecast Zone County Fire Stations and Camps 250

61 Tahoe National Forest Area Forecast Zone Priority Project Areas 261

62 Tahoe National Forest Area Forecast Zone Recommendations for Reducing Structural Ignitability 271

63 Tahoe National Forest area Forecast Zone Defensible Space Recommendations 272

64 Tahoe National Forest Area Vegetation Management/Fuel Reduction Recommendations 274

65 Tahoe National Forest Area Forecast Zone Community Outreach and Education Recommendations 276

66 Tahoe National Forest Area Forecast Zone Evacuation Recommendations 277

67 Tahoe National Forest Area Forecast Zone Emergency Communication Alerts Recommendations 279

68 Tahoe National Forest Area Forecast Zone Post-Fire Recovery Recommendations 280

69 Land Ownership in the Truckee/Donner Forecast Zone 283

70 Truckee/Donner Forecast Zone Vegetation Communities 285

71 Truckee/Donner FZ Fire History by Period 285

72 Office of the State Fire Marshal and CAL FIRE Communities at Risk in the Truckee/Donner Forecast Zone 296

73 Truckee/Donner Forecast Zone Schools 297

74 Truckee/Donner Forecast Zone Fire Stations 297

75 Truckee/Donner Forecast Zone Priority Project Areas 304

76 Truckee/Donner Forecast Zone Recommendations for Reducing Structural Ignitability 317

77 Truckee/Donner Forecast Zone Defensible Space Recommendations 318

78 Truckee/Donner Forecast Zones Vegetation Management/Fuel Reduction Recommendations 320

79 Truckee/Donner Forecast Zone Community Outreach and Education Recommendations 322

80 Truckee/Donner Forecast Zone Evacuation Recommendations 323

81 Truckee/Donner Forecast Zone Emergency Communication Alerts Recommendations 325

82 Truckee/Donner Forecast Zone Post-Fire Recovery Recommendations 326

EXHIBITS

1 Acres burned in Nevada County from 1908–2023 (CAL FIRE 2024c) 35

2 Wildfire frequency in Nevada County from 1908–2023 (CAL FIRE 2024c) 35

3 Preferred wildfire risk reduction methods, by Forecast Zone 112

4 Preferred vegetation management techniques, by Forecast Zone 113

5 Community-identified areas of concern for the Higgins/Penn Valley Forecast Zone 166

6 Preferred wildfire risk reduction methods for the Higgins/Penn Valley Forecast Zone 167

7 Preferred vegetation management techniques for the Higgins/Penn Valley Forecast Zone 168

8 Community-identified challenges for the Higgins/Penn Valley Forecast Zone 169

9 Community-identified opportunities for the Higgins/Penn Valley Forecast Zone..... 170

10 Community-identified challenges by issue category for the Higgins/Penn Valley Forecast Zone 171

11 Community-identified opportunities by issue category for the Higgins/Penn Valley Forecast Zone 172

12 Community-identified areas of concern for the Grass Valley/Nevada City Forecast Zone 215

13 Preferred wildfire risk reduction methods for the Grass Valley/Nevada City Forecast Zone..... 216

14 Preferred vegetation management techniques for the Grass Valley/Nevada City Forecast Zone 217

15 Community-identified challenges for the Grass Valley/Nevada City Forecast Zone 218

16 Community-identified opportunities for the Grass Valley/Nevada City Forecast Zone 219

17 Community-identified challenges by issue category for the Grass Valley/Nevada City Forecast Zone 220

18 Community-identified opportunities by issue category for the Grass Valley/Nevada City Forecast Zone 221

19 Community-identified areas of concern for the Tahoe National Forest Area Forecast Zone 262

20 Preferred wildfire risk reduction methods for the Tahoe National Forest Area Forecast Zone . 263

21 Preferred vegetation management techniques for the Tahoe National Forest Area Forecast Zone 264

22 Community-identified challenges for the Tahoe National Forest Forecast Zone 265

23 Community-identified opportunities for the Tahoe National Forest Forecast Zone 266

24 Community-identified challenges by issue category for the Tahoe National Forest Forecast Zone 267

25 Community-identified opportunities by issue category for the Tahoe National Forest Forecast Zone 268

26 Community-identified areas of concern for the Truckee/Donner Forecast Zone 308

27 Preferred wildfire risk reduction methods for the Truckee/Donner Forecast Zone 309

28 Preferred vegetation management techniques for the Truckee/Donner Forecast Zone..... 310

29 Community-identified challenges for the Truckee/Donner Forecast Zone..... 311

30 Community-identified opportunities for the Truckee/Donner Forecast Zone 312

31 Community-identified challenges by issue category for the Truckee/Donner Forecast Zone ... 313

APPENDICES

- A Glossary of Terms
- B Wildfire Risk Assessment (OES)
- C Nevada County CWPP Survey Results
- D Nevada County Community Workshop Results
- E Local Community Wildfire Protection Plans
- F Land Management Plan (placeholder)

Acronyms and Abbreviations

| Acronym/Abbreviation | Definition |
|----------------------|--|
| BLM | Bureau of Land Management |
| Cal OES | California Office of Emergency Services |
| CalVTP | California Vegetation Treatment Program |
| CCR | California Code of Regulations |
| CWPP or Plan | Community Wildfire Protection Plan |
| CEQA | California Environmental Quality Act |
| CFC | California Fire Code |
| County | County of Nevada |
| CwNVC | Conditional Weighted Net Value Change |
| EIR | Environmental Impact Report |
| EIS | Environmental Impact Statement |
| EwNVC | Expected Weighted NVC |
| FEMA | Federal Emergency Management Agency |
| FHSZ | Fire Hazard Severity Zones |
| FPD | Fire Protection District |
| FRAP | Fire and Resource Assessment Program |
| FZ | Forecast Zone |
| HFRA | Healthy Forest Restoration Act of 2003 |
| HVRA | High Value Resources and Assets |
| IFTDSS | Interagency Fuel Treatment Decision Support System |
| LHMP | Local Hazard Mitigation Plan |
| LMP | Land Management Plan |
| LRA | Local Responsibility Area |
| NCVDRT | Nevada County Veterinary Disaster Response Team |
| NEPA | National Environmental Policy Act |
| NEU | Nevada-Yuba-Placer Unit |
| NFPA | National Fire Protection Association |
| NSJ | North San Juan |
| OES | Nevada County Office of Emergency Services |
| Plan Area | Incorporated and unincorporated areas of Nevada County |
| PRC | California Public Resources Code |
| QWRA | Quantitative Wildfire Risk Assessment |
| RWQCB | Regional Water Quality Control Board |
| SRA | State Responsibility Area |
| TAC | Technical Advisory Committee |
| TCSI | Tahoe–Central Sierra Initiative |
| TNF | Tahoe National Forest |

| Acronym/Abbreviation | Definition |
|----------------------|-------------------------------------|
| USDA | U.S. Department of Agriculture |
| USFS | U.S. Forest Service |
| VHFHSZ | Very High Fire Hazard Severity Zone |
| WRA | Wildfire Risk Assessment |
| WUI | Wildland Urban Interface |
| YFN | Yuba Forest Network |
